This seminar covers a wide ranging mix of legal issues that are vitally important for all dog owners, particularly when there has been so much change to the law in the last year.

It is presented by Solicitor Trevor Cooper who is well known for his ability to entertain as well as inform.

Trevor has specialised in Doglaw for 25 years and is widely regarded as a leading solicitor in England and Wales for this niche area of law in both civil and criminal cases.

Trevor started his career in local government and has acted for the prosecution (having been a Principal Solicitor with the Environment Agency for 5 years) as well as the defence - he was also a Magistrate on the North Yorkshire bench.

Trevor was formerly the Doglaw specialist for Dogs Trust and currently splits his time between acting as the Doglaw Consultant for Battersea Dogs & Cats Home as well as continuing to act for dog owners, dog related professionals and organisations in both civil and criminal proceedings.
